Daily arrests available on-line

The Newport News Sheriff's Office is taking advantage of improved technologies to keep you better informed.

In order to enhance communications with the citizens of Newport News, the Newport News Sheriff's Office is now making its Daily Arrest Report available on-line. This new website feature is part of our continued effort to remain transparent in day-to-day operations.

Our media partners and the general public can find basic information about daily arrests by going to:
<http://www.nngov.com/sheriff/resources/dailyarrests>

The electronic Daily Arrest Report will replace the arrest cards previously held in booking at the Newport News City Jail.
