Walk a Mile in Her Shoes April 4, 2009

On Saturday April 10, 2010, men from all walks of life will meet at the City Center Fountain in Oyster Point, Newport News to walk one mile in women's high heeled shoes to raise awareness about and protest against rape and sexual violence. Proceeds from the walk support rape crisis services through the Center for Sexual Assault Survivors, a non-profit rape crisis center serving the peninsula.

This is a fun way to take a stand against a serious matter. Gentlemen, please consider walking individually or putting together a team. Challenge your friends and colleagues to do the same. Ladies, you can do your part by pledging your support as a cheering spectator and through a monetary pledge.

Sexual assault effects us all. By working together we can put an end to future violence and heal those affected today.
