The **FOODBANK** of the Virginia Peninsula needs your help with its Capital Campaign's building costs.

The new building will allow the FoodBank to expand its power to house and distribute food, and reach out to the people, families and children in need.

Hunger is a silent epidemic that affects too many people in our own backyard.

"ARRESTING HUNGER TOGETHER" means your chance to fill the new building with an overwhelming amount of food.

The Newport News Sheriff's Office challenges you to stuff its transport van with the nourishment of hope.

The van will be parked on scene. Bring non-perishable food items -- golfers and non-golfers alike!

Hunger is a community issue we can't ignore
